When You Need Cabinets, You Need Rugby!

Count on Rugby to deliver precisely engineered cabinets with your choice of traditional or contemporary door styles along with an extensive assortment of Rev-A-Shelf accessories. All our products are engineered from high-quality materials and backed by comprehensive product warranties.

- Over 1000 different cabinet accessory options
- Both contemporary and traditional door styles
- Comprehensive Rev-A-Shelf hardware program

You provide the space, and we’ll provide all the cabinet and accessory solutions you need to get the job done right.
Staron high-performance acrylic solid surface is known for excellent workability and easy maintenance. Its homogenous, color-through composition is non-porous and ultra-hygienic, making Staron an ideal surfacing option for a wide range of commercial interior applications and residential spaces.

- 10-year limited commercial warranty
- Ultra hygienic / non-porous
- Thermo-formable
- 90 design inspired color options available
- Integrated sinks and bowls available. All ADA compliant
- Sample sets of Staron are available along with individual color samples

There’s solid wood durability built into every KK cabinet. From the hardwood doors and stiles to the solid wood elements, each cabinet is built to last.

Note these quality features:

- All frames are built of solid 3/4” hardwoods. Each rail is kiln-dried, joined by mortise and tenon, and then glued for added strength
- Solid wood toe kicks, 3/4” thick
- Solid wood hanging strips on wall and base cabinets, located at the top and bottom
- End panels consist of 3-ply construction, 1/2” thick engineered wood core with hardwood veneers

All painted and stained cabinets are protected with a durable topcoat. The result is a surface that is virtually “family-proof,” resisting many household chemicals, water, alcoholic beverages, mild acids, and even nail polish.

The result is more than just a kitchen you can cook in— it’s a kitchen you can live in at a price you can live with.
In addition to vanities, VT Industries is a leading manufacturer of countertops, offering homeowners dynamic options, including granite, VT TruQuartz™, VT Dimensions®, and VT VersaTop™. We also offer a variety of distinctive edge profiles designed to bring custom style to any kitchen, bath, or bar project.

VT Dimensions® countertops bring everything together in one seamless offering—from the slab-like core, to the naturally beautiful surface, to the premium edge profiles.

- State-of-the-art manufacturing assures your satisfaction every time
- 45-lb. industrial particle board as standard (meets HUD and government specs; ANSI approved)
- EQCountertops are FSC® certified to originate from responsibly managed forests
- GREENGUARD Gold Certified for low chemical emissions
- PVA glue line provides strongest possible bond between particle board and laminate

Textured European White Oak & Reclaimed Panels

- Wire brushed & patented “saw effect” scratching
- Mixmatch technique to give natural appearance of solid wood
- Thick cut veneer for deep brushing and scratching
- European white oak — matched for color consistency
- Reclaimed veneer from railways in Europe
- 20mm 48.8” x 98.4” on MDF
- 0.8mm and 1mm edgeband available, brushed and scratched

[Image of sample binder available]
Shinnoki offers prefinished wood veneered panels for architects and cabinet makers to design and create stylish and distinctive interiors. Unlike regular veneered panels, Shinnoki products are ready-to-use and as easy to work with as a melamine board, huge time and cost-saving but with the same unique look and feel that is typical for real wood veneer.

- Prefinished wood panels – 10% sheen matte finish
- Mix match technique to give natural appearance of solid wood
- Unique Designs created by a team of top European Designers
- Protective peel coat to protect finish
- 19mm 48.8”x 109.8” NAF MDF – 2 sided
- Prefinished 0.6mm edgeband and 1mm ABS edgeband available

Edgebanding
**Premium Hardwood Sheet Veneer & Edgebanding**

Veneer Technologies, Inc. manufactures high end decorative hardwood veneer faces. They carry most domestic species and have access to many exotic species from around the world. They currently operate ten continuous cross feed splicers, producing approximately 6.5 million finished square feet of face veneer per month.

**Sheet Veneer**

Manufactured with a select grade face veneer crosslinked to a variety of backers. Backers include 10 mil, 20 mil, 2-ply with cross-grain back, 3M peel-n-stick, polyback, true phenolic. Sizes are 4' x 8', 4' x 10', 4' x 12'. Custom sizes available.

**Wood Edgebanding**

- Standard wood edgebanding
- 500' rolls, fleeced and sanded
- 250' rolls, preglued EVA hotmelt
- UV prefinished, preglued or fleece backed
- Widths ½" to 2"
- Custom widths and lengths available

**Melamine Edgebanding**

- Standard colors
- 250' rolls
- Preglued

**Thick Wood Edge Rolls**

- 328' rolls. Thickness 1mm, 1.5mm, 2mm, and 3mm

*Please inquire about available widths and species*
Founded in 1957, Columbia Forest Products is North America’s largest manufacturer of hardwood plywood and hardwood veneer products. Columbia’s decorative interior veneers and panels are used in high-end cabinetry, fine furniture, architectural millwork and commercial fixtures.

Choice Brands Adhesives started in 2010 to provide industrial adhesives to a wide variety of markets and applications. Our company was founded by experienced adhesive veterans formerly with Imperial Adhesives / Sovereign Adhesives / Henkel Adhesives.

We serve a wide variety of markets:
- Cabinets and Millwork, Countertops,
- Office Furniture, Case Goods,
- Panel Lamination, Furniture, Foam Fabricating, Bedding, Sporting Goods,
- Commercial Roofing, Insulation, Waterproofing, Marine, Recreational Vehicle, Automotive Aftermarket

Roseburg produces one of the most popular machinable particleboard panels on the market today. Our UltraBlend panels are a premium-quality, mat-formed, multilayer wood particle board. These panels are made predominantly of precision-refined wood particles that are bonded with thermosetting resins.

UltraBlend features a highly refined smooth surface and tight uniform core with machinable edges and excellent dimensional stability. UltraBlend particleboard panels are designed for the demanding laminating and edge machining applications of today’s precision woodworking industry.

- 1/2” - 1-1/8” thick, 4’, 5’ and 6’ wide
- Cut to size and countertop sizes
- CARB2, ULEF, NAF, FSC® Certified
- Available in Water resistant, Fire rated and FSC® certified
- Products include Duratflake, Vesta, Terra

PerfectSense Gloss Lacquered Boards

Based on EGGER’s proven MDF quality PerfectSense Gloss represents the premium category of high-gloss decorative lacquered boards.

With its exceptional level of reflection, exceptionally smooth finish and unique brilliance, PerfectSense Gloss represents pure luxury.

Benefits:
- High depth effect and mirror gloss finish
- Supports economic manufacturing
- Premium appearance with glasslike finish
- High resistance to micro-scratches ensures long lasting brilliant surface

Areas of application: Residential and commercial areas as well as retail

Feelwood synchronized pore (EIR) on TFL

EGGER’s Feelwood range of decors specially designed with multi-layers of papers to create a depth of texture often seen with solid wood. These decors represent the premium category among the 223 TFL decors within the EGGER decorative collection.

Benefits:
- CARB2/TSCA conformity and FSC® Mix Credit certified products are available on request
- No compromise in appearance and performance due to available decor matching laminate and edging materials
- Offer the best of two worlds: Wood reproductions designed by nature with a high-quality and lightfast finish
- Benefit from short lead times through local stock

Established in 1989, Salice America reflects the leadership claimed by the European parent company for over 50 years.

A complete product line of concealed hinges, drawer slides and sliding door systems has made our company the technology leader of the market, a never ending task requiring solid engineering and innovative mentality.

Knape & Vogt design and manufacture precision, Euro-style and utility slide systems; wall-attached shelving for commercial, home and garage applications; kitchen, closet and bath storage; office and healthcare ergonomics products and specialty hardware. We offer these products under several well-known brand names: KV®, KV Waterloo®, HyLoft®, Real Solutions for Real Life®, John Sterling™ and Shelf-Made®.
Rev-A-Shelf was established in 1978 as a division of Jones Plastics and Engineering, a family owned injection molder of appliances parts, and other custom polymer components (ISO 9002 Certified) with five manufacturing facilities in Kentucky, Tennessee, and Monterrey, Mexico.

Our Product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and has grown into the market leading innovator of quality, functional residential cabinet storage and organizational products such as Lazy Susans, Kitchen Drawer Organizers, Base Cabinet and Pantry Pull-Outs, functional Waste Containers, LED lighting systems and Childproof Locking System. Our worldwide presence extends from the U.S. to Europe, Asia, and Mexico, with factories, warehouses and satellite offices strategically located to serve an expanding customer base of kitchen dealers, architects, furniture manufactures, cabinet industry distributors and retail home centers worldwide.

Wide Range of Cabinet Accessories

Rev-A-Shelf is a premier manufacturer of hardware for the woodworking industry. We firmly believe in top quality products and the most reliable service.

Our extensive decorative product line includes: elegant designs of handles and knobs for cabinetry and furniture; hand carved wood such as corbels, bar brackets, island posts, onlays and vanity legs.

Deerwood Fasteners™ is a leading supplier of High Quality Fasteners manufactured exclusively for woodworking applications. We service our nationwide customer base from our headquarters in Conover, NC and a regional warehouse in California.

Our products include Hinge and Hardware screws in a variety of finishes, Zip Drivers (Self drilling, Self-Counter sinking assembly screws), Painted Head Cabinet Installation screws, Decking screws, Face Frame screws, Drawer Front Adjuster Screws and much, much more.
