# Wilsonart®

Wilsonart Engineered Surfaces is a world leading manufacturing and distribution organization that is driven by a mission to create innovative, high performance surfaces people love, with world-class service our customers can count on, delivered by people all over the world who care.

With hundreds of kitchen countertop designs and bathroom vanity surfaces to choose from, including woodgrains, abstracts and solids, you're certain to find the perfect solution for all of your project needs. Wilsonart laminate designs are available with a number of premium finish options, too. From traditional matte and glossy finishes to abstract textures, you can create a custom look for every surface.

Wilsonart's enhanced antimicrobial protection is built into the laminate to protect the surface against damaging microbes. Antimicrobial agents protect the surface against growth of mold and mildew that cause stains and odors when used for countertops and work surfaces.

## SOLICOR™

Wilsonart® SOLICOR™ is a specialty laminate created with a solid color core that lets you design visually crisp and stunning spaces by eliminating the disruptive brown line at the edges.

/ OPEN /

## Chemsurf®

Specifically designed for environments where chemicals and harsh cleaners are used, Wilsonart® Chemsurf® provides exceptional chemical resistance without sacrificing design or style. Available in Matte finish.

Brochure

## Decorative Metals

Wilsonart® Decorative Metals collection is the high-tech hybrid of industrial flair and sophisticated design. Whether used for vertical applications or as an accent to countertops, the Decorative Metals line is surprisingly adaptable and a virtually unbreakable addition to any commercial project.

Rugby offers a complete selection of custom cabinet doors and wood cabinet components. We have built a reputation of offering high quality products with absolute dependability and support of our customer's needs. You can count on Rugby for on time delivery and accurate order status communication, and our free estimating service insures you know your precise costs.

Rugby is proud to partner with Conestoga Wood Specialties, offering a wide selection of hand crafted custom doors:

- \* Wood doors offered in many species, pre-finished or unfinished
- \* Laminated doors for high wear applications
- \* Textured Melamine Slab Doors
- \* High gloss & Aluminum Doors
- \* Matching Veneers, Hoods, Wood Moldings, Corbels and Legs
- \* Custom Dovetail Drawer Boxes and Interior Storage Products
- \* High-quality furniture grade finishing process – Paints, Stains & Glazes

Rugby also offers a wide variety of Thermoform doors: available in a wide variety of colors, matching moldings, and veneers.

Please call for additional information, catalogs, and pricing information.

## PE | PREMIEREUROCASE

Premier Eurocase, Inc. supplies building components and fixtures. The company specializes in the construction of retail store fixtures and components for the woodworking industry.

# Reflekt

/ OPEN /

Reflekt is a breakthrough high-gloss acrylic with several innovative product qualities:

- The most scratch resistant high-gloss acrylic in the market
- Impeccable surface consistency due to cleanroom lamination
- Color richness that enhances depth and clarity

Brochure

Reflekt panels consist of a premium quality MDF substrate with a co-extruded polymer high-gloss acrylic top layer. The core material is carefully selected by Premier to have low surface variance, so the Reflekt surface is not flawed by substrate imperfections.

The panels are PUR (polyurethane) laminated inside a Class-100 (ISO 5) cleanroom, which is a manufacturing process that guarantees Reflekt is as close to a perfect product as technologically possible.

Our standard panel size is 4' x 8' available in 1/4" and 3/4" thicknesses. Custom thicknesses are available by request.

Reflekt is suitable for interior vertical surfaces such as kitchen cabinets, vanities, closets, furniture, as well as store fixtures & displays.

# UltraMatte

Incredibly smooth and soft to the touch, the enhanced surface properties make UltraMatte acrylic beautiful and functional.

- Top hardcoat protected for excellent scratch resistance
- Color richness and UV stabilized
- Anti-Fingerprint properties

/ OPEN /

UltraMatte panels consist of a premium quality MDF substrate with a co-extruded polymer acrylic top layer. The core material is carefully selected by Premier to have low surface variance, so the surface is not flawed by substrate imperfections.

Brochure

The panels are PUR (polyurethane) laminated inside a Class-100 (ISO 5) cleanroom.

UltraMatte panels are available in 7 different colors options. Our standard panel size is 4' x 8' available in 1/4" and 3/4" thicknesses.

UltraMatte is suitable for interior vertical surfaces such as kitchen cabinets, vanities, closets, furniture, as well as store fixtures & displays.

# Roücke HD

/ OPEN /

Premier EuroCase offers high-definition structured melamine panels with European trend-setting designs. HD structured panels deliver the look and feel of real wood along with the durability and reliability you've come to expect from PE panels.

Brochure

The product can be sold in fully laminated 4' x 8' sheets, 1/4" or 3/4" thick. Other thicknesses are available by request.

# Nørdus

the scandinavian collection

## Contemporary Softwood Panels

For the 'Nørdus' collection, only the best softwood and birchwood is collected and carefully processed into finely cut veneer. This way, the raw materials are optimized. Advanced surface treatments reinforce the unique beauty of wood and highlight its 3D aspect. A team of trend watchers suggested various trendy finishing options such as metallic shades, ash grey or neutral white accents allowing 'Nørdus' to be integrated in every interior.

- Advanced surface treatments highlight 3D aspect
- Unfinished panels are easily customized to cover broad color palette range
- Scandinavian influence easily integrated into modern design
- Mixmatch technique to give natural appearance of solid wood
- 19mm x 4' x 9' G2S Panels

### SOLVENTS AND CLEANERS

Whether you choose a solvent to clean your equipment or one of our cleaners to remove adhesive residue from the decorative surface, Wilsonart® Solvents and Cleaners will do the job right.

### SPECIALTY

Wilsonart® Color-Matched Caulk is a high-quality sealant formulated to color match Wilsonart® Laminate, Solid Surface, Quartz and other hard surfaces.

Rev-A-Shelf was established in 1978 as a division of Jones Plastics and Engineering, a family owned injection molder of appliances parts, and other custom polymer components (ISO 9002 Certified) with five manufacturing facilities in Kentucky, Tennessee, and Monterrey, Mexico.

Our Product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and has grown into the market leading innovator of quality, functional residential cabinet storage and organizational products such as Lazy Susans, Kitchen Drawer Organizers, Base Cabinet and Pantry Pull-Outs, functional Waste Containers, LED lighting systems and Childproof Locking System. Our worldwide presence extends from the U.S. to Europe, Asia, and Mexico, with factories, warehouses and satellite offices strategically located to serve an expanding customer base of kitchen dealers, architects, furniture manufactures, cabinet industry distributors and retail home centers worldwide.
