OUR PRODUCT DIFFERENCE

A — MORE CHOICES

With one of the widest selections of styles, finishes, storage solutions and decorative enhancements in made-to-order cabinetry, KraftMaid® cabinetry brings inspiration to life, creating a space that reflects personal style and functional needs.

B — HAND-CRAFTED FINISHES

- Each KraftMaid® cabinetry finish creates a unique furniture look, while hands-on craftsmanship brings out the true beauty of wood.

- Our exclusive **DuraKraft™ topcoat** provides exceptional resistance to household spills, scuffing, dents, moisture and fading.

- Unique finish treatments like distressing are on-trend with today's designs.

C — STANDARD CABINETRY FEATURES

- Sturdy, adjustable **3/4" full-depth shelves** provide 25% more storage space.

- **PermaSet™ Bumpers** cushion doors and drawers for a quiet close and are securely held in place.

- Concealed **Whisper Touch™ Hinges** close doors softly, quietly, and adjust six ways for perfect door alignment.

- **Rounded face frames** duplicate the appearance of fine furniture, prevent splintering and keep hands scrape-free.

- Cabinet boxes feature I-beam braces or corner blocks for stability and strength.

D — STANDARD DRAWER FEATURES

- Full-extension, **Whisper Touch™ Drawer Runners** provide easy access to contents and close drawers softly and quietly.

- **All-wood drawer boxes** with dovetail construction provide strength and durability.

- **Greater clearance** between the drawer box and face frame enables storage of larger items.

- **90 pound load capacity** provides excellent stability.
